Vehicle Movement–Holyrood Road

Runners will be running westbound along Holyrood Road but two-way traffic will be maintained between Dumbiedykes Road and Pleasance throughout the morning. Traffic travelling west along Holyrood Road will not be able to travel beyond Pleasance and must make a left turn at this junction.

Vehicles travelling south down St Mary's Street can only turn right and access as far St Gray's Close, there is no westbound access along Holyrood Road beyond this point between 08:00am and 11:30am.

Vehicle Movement–Spring Gardens/Royal Park Terrace

Spring Gardens and Royal Park Terrace are closed between 09:00am and 11:00am, however, the time window when cars cannot drive on these roads and exit out of the surrounding properties is much smaller and limited to when runners are on route between 10:00am and 11:00am. This is to ensure that residents in Croft An-Righ, Tyler Gardens, Tyler Crescent and Waverley Park face limited disruption. There will be stewards in place to facilitate movement off route via Abbey Lane throughout the morning.

The parking restrictions on Spring Gardens and Royal Park Terrace have also been limited to minimise disruption. The majority of these roads remain unaffected by parking restrictions but please be aware that parked cars will not be able to be moved between 10:00am and 11:00am when runners are on route. If you intend to move your vehicle during these times on Sunday 4th November please use alternative streets for parking.
